MOVING FORWARD TO SERVE THE WORLD

ICE - BSD City, 16 - 20 OCT 2019
Over the past few years, Indonesia has achieved a positive trend of export growth in a wide range of goods and services in the global market. This achievement needs to be further improved because Indonesia is also competing with other countries in exploring global opportunities.

In order to improve export performance, the Ministry of Trade has been proactive in inviting and bringing in buyers and investors for a direct transaction with Indonesian export goods and services suppliers at the annual trade exhibition of Trade Expo Indonesia (TEI).

TEI is an international, B2B-focused, trade exhibition which is designed to boost export product growth and market expansion. The 34th TEI in 2019 will take up the theme “Moving Forward To Serve The World”, in an effort to promote quality products made in Indonesia for the global market, develop business networks, investment and present showcases of Indonesian premium and high quality products. During the exhibition, TEI also presents series of parallel activities such as Trade, Tourism and Investment (TTI) Forum, Business Matching, Business Counseling, Regional Discussion, Overseas and Local Trade Mission, Export Start-up Competition and Talk Show.

**Expand Your Market**
**Reach with the Best from Indonesia**
The 34th Trade Expo Indonesia presents numerous carefully-categorized products, encompassing Local Champion Products, Premium & Creative Products, Manufacturing Products & Services, Food & Beverage Products, Furniture & Home Decor.
